\*NOTE: National Referee Candidates cannot accept assignments at the professional level until:

- 1) You have a current registration in file in the National Office and
- 2) You pass the physical fitness test at a 2005 Regional/Professional Referee Training Seminar.

A List of 2005 Regional/Professional Referee Training Seminars will be posted on the web: [www.ussoccer.com](http://www.ussoccer.com)

Check the Referee Administrative Handbook for all upgrade criteria for National Referees.

Referees who do not meet the requirements will be removed from the list.

If you have submitted a declaration form to the National Office and your name is not listed here, contact Carol McGuire by e-mail: [cmcguire@ussoccer.org](mailto:cmcguire@ussoccer.org) to find out if you are missing any paperwork.

\*\* after the referee's last name indicates that a 2005 registration form has NOT been processed in our office.
